

TAR's Magnificent Win!

TAR College did it again! Did what? Winning the **Championship and First Runner-up** titles at the **MIM-Ricoh National Management Game 2009**, of course! Organized by the **Malaysian Institute of Management (MIM)** and sponsored by **RICOH**, the **National Management Game** is a computer-simulated business game which challenged participants to take on their business and management capabilities against other contestant in market share and increased profits in a **"real" business world**. The one and only **two student teams** in the 2009 game, TAR College teams has defeated **22 other teams** (comprising of managers and executives from various local companies!) and grabbed the two most coveted spots in the competition! Held over a one-month period, the finals of the game took place at **Holiday Inn, Glenmarie** in last November. Hailing from different disciplines of studies, each member of the team were able to give valuable contribution to the team's overall stance in the game. **Shue Kian Leong (team leader), Lim Xiao Min, Charles Ho and Chong Sok Moon** made up the champion team, while the first runners-up team consist of **Michael Puah (team leader), Chee Meng Yee, Leau Qi Ren and Lim Han Yeong**. These group of future business elite has displayed impressive sound investment, pricing and marketing strategies. The best of all, the champion team and first runners-up get to win **RM3,000** and **RM2,000** respectively alongside trophies and certificates!!
