**TAR College provides affordable education.**

**T**UNKU Abdul Rahman College (TAR College) remains at the forefront of quality and affordable education, providing many capable young Malaysians the chance to pursue higher studies and a bright future.

Winning the coveted BrandLaureate Award – Best Brands in Education – College, reflects its commitment to maintain its excellent standards in education.

Being the largest college in Malaysia, it boasts of a total enrolment of 25,000 students and has an enviable record of 140,000 graduates working in all parts of the world.

In line with its objectives of affordability and quality, the college's School of Arts and Science (SAS) offers various market-relevant programmes in information technology (IT), such as:

- > Information Systems Engineering
- > Business Information Systems
- > Computer Science
- > Microelectronics
- > Internet Technology
- > Interactive Software Technology
- > Chemistry and Biology
- > Sports and Exercise Science

To ensure its IT students have an edge and stay attuned to the IT world, TAR College has been adopting a pro-active approach in exposing students to the latest industry-based applications.

SAS students have the advantage of being able to obtain an American degree from Campbell University without having to go overseas. At the Advanced Diploma level, students are prepared to simultane-
