Re: STUDENT DISCIPLINE REGULATIONS (EXAMINATIONS)

This is to draw the attention of students to the University College Student Discipline Regulations (Examinations):

Disciplinary action shall be taken against any student found cheating or being dishonest, in breach of the examination regulations or instruction given by the Invigilators during the University College examinations.

Where a student has committed a disciplinary offence, the Examination Disciplinary Authority may make any one or any appropriate combination of the following decisions:

a) order that the maximum marks awarded to the student for all the courses passed in that examination be downgraded to a minimum pass grade;

b) order that the student has failed in the examination of any course or programme or part of a course or programme or the whole of the examination concerned;

c) remove the name of the student from any pass list;

d) suspend the student from any University College examination for such period as the Examination Disciplinary Authority may decide;

e) order that the student has failed the whole of the examination concerned and that the student be required to leave the programme(s) and refused re-admission to any programme of study in the University College.
