TAR College still going strong at 40

TUNKU Abdul Rahman College (TAR College), which turned 40 this year, produces quality graduates in all programmes, including from its School of Pre-University Studies, which offers the Cambridge A-level and Sijil Tinggi Persekolahan Malaysia programmes.

Its A-level students have received offers from the University of Nottingham in UK, University of Bradford, University of Manchester, University of Bath, Massachusetts Institute of Technology, University of Hong Kong, Wesleyan University, Hong Kong University of Science and Technology, Australian National University, RMIT University, Victoria University, National University of Singapore, International Medical University and Monash University.

Recently, twenty-three students obtained 3As and above in the A-level examination, while 92 students scored 3As and above.

Ooi Wei Ming won the Cambridge Outstanding Achiever award for being top in Malaysia for the Economics paper.

Last year, Tan Lea Ngar won the Top in the World for Mathematics while Chan Huey Hoong and Loy Kai Yin won the Top in Malaysia for General Paper and Top in Malaysia for Business Studies awards respectively.

Besides that, 27 SPUS students scored Band 5 for the Mid-Year 2009 Malaysian University English Test. These students made up the 9.5 per cent of the total number of candidates who sat for the test.

The college advocates a well-balanced education encompassing theoretical study and practical-learning experience, besides providing pastoral care for students, where motivation classes and one-to-one student-lecturer consultation sessions are available.

The Parent-Lecturer Day, held twice a year, brings about interaction between parents and lecturers.

The college will hold an open day from Dec 18 to 20 between 10am and 4pm.
